WHO ARE WE? ↘

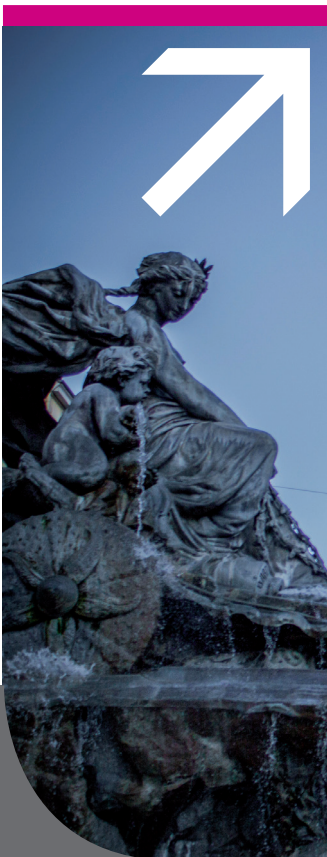

Since 2009, Lyon Expat Services has developed **family homestay services** for **international visitors** (students, interns, groups, senior citizens....)

Lyon Expat Services provide **accommodation in host families** in Lyon.

Our homestays come in various forms, **from basic accommodation** (bedroom with access to the kitchen) **to full integration** into the host family (half board).

Lyon Expat Services gives **the best possible advice** to participants to direct them towards the **package best suited to their needs**, according to their nationality, age, experience, and the purpose of their stay in France. Lyon Expat Services **acts as contact in Lyon** before arrival, and throughout the stay.

ADVANTAGES OF A HOMESTAY ↗

▲ Lyon Expat Services takes care of the accommodation research; **it can be organized in a few days.**

▲ **No need for a French guarantor, or a security deposit** which is often required in France.

▲ A homestay is a very good way to **meet French people and families**, to make **considerable progress in the French language** as well as adapting to and **understanding the French culture and way of life.**

▲ If the candidate so desires, they can **enjoy the family life of their homestay or else remain very independent**; our families will let the candidates live the way they wish.

▲ Lyon Expat can provide an **homestay certificate** for the visa process.

▲ Lyon Expat will **remain your contact** throughout the stay.

OUR HOST FAMILIES

▲ **Quality:** All our families have been carefully **selected**. We visit them and make sure they provide **a clean and well-maintained home**, in a nice part of the city either downtown Lyon or with easy access to the city center.
